*“A treasure and seminal work on intercultural living as an expression of mission, an actual participation in God’s mission...Gittins’ experience, wisdom, and profound insights are both gift and blessing for religious life and the Church.”*

— Joan Marie Steadman, CSC  
Leadership Conference of Woman Religious

*“Gittins’ mission-driven exploration of intercultural living is immensely practical, challenging, and solidly based on scholarship, lived commitment, wide dialogue, and prayerful reflection. Gittins has given us a great gift and incentive to live our unity in diversity from a stance of radical faith and heightened cultural awareness. I am eager to share this gift with my whole international community and all of our partners in mission.”*

— Mary Ann Buckley, SHCJ  
American Province
